Books on Oxford Academic

Thousands of research books now available alongside journals for the first time.

COVID-19 information hub

Free content from academic books and journals to assist researchers, medical professionals, policy makers, and others.

Open research

Through cooperative action in the scholarly community, working with authors, society publishing partners, institutions, and funders, we work to move towards an open world.

Usage statistics

Librarians can download usage statistics for any of their Oxford resources through a single account.
